Spring 2011

www.cambridgetennisclub.org

Registration Date: Saturday April 30th

The Cambridge Tennis Club will be opened on **Saturday April 30th, 2011** from 9:00 am till 2:00 pm for registration. You are welcome to come in, register and perhaps take a swing at some balls, provided the nets are up!

Registration for **Tennis Fun** can also be made at the same time. As you may know, Tennis Fun has been the name behind the Cambridge Tennis Club's summer youth programs since 2000. This program delivers a high-paced, developmental program to children, providing an enjoyable experience as they learn to play tennis. **First class starts on May 7th.**

Timbits Tennis Fun group

DID YOU KNOW?

Our club has a new logo!

The visual elements of our new logo represents a stylized 'net' and a 3-dimensional tennis ball with a swoosh over it signifying 'SUCCESS'. The net chords lead

your eyes from left to right into the main text body of the logo. The acronym 'CTC' is hidden playfully in the net in light blue.

Shoe tag must be worn by all members. Non-members may use the courts after depositing \$5 in the guest fee box. Visitors may use the club only twice a year and must be accompanied by a member. Members will have the priority to use court facilities. Non-members may be asked to vacate the courts if members are waiting.

Important Dates to Remember:

Sunday Morning Doubles Round Robin

Starting May 8th
9:00 am - 12:30 pm

Tuesday Evening Men's Competitive Doubles

Starting May 10th
7:00 pm - 9:30 pm

Adult Lessons for Members Only

Thursdays 7:00 pm to 9:00 pm
From May 5th till June 30th

Tennis Access Tournament

Saturday June 25th - Contact Marc Lehmann for details

Friday Night Social

Starting June 3rd from 7:00 pm - 9:00 pm

Smoking Policy is in effect on the tennis courts, clubhouse and all nearby areas. Smoking is **strictly** forbidden on the club's property.

Summer Youth Program

Our mission is to promote the sport of tennis in Cambridge, giving opportunities for growth at all levels of play. In keeping with international tennis instructional research and best practices, we follow a progressive tennis teaching model whereby players use modified court sizes, ball types (foam, low-compression and regular), and racquet sizes based on their ages and abilities.

Our head coaches are all Tennis Canada certified and members of the Tennis Professionals Association. Furthermore, we continually strive to learn more about the delivery of tennis instruction by regularly taking part in professional development and recertification seminars. Registrations will take place on-site or by mail. Please contact Marc Lehmann at 519.622.6681 for more details. Registration forms can also be downloaded from our club website.

Junior club member Nithya Mani took part at Rogers Cup 2010 as a member of the Ball Crew.

Courts Maintenance

Of all the surfaces to play tennis, clay courts need the most maintenance. Our club's courts get a thorough rolling at the start of the year to create a consistent flat surface across all areas of the courts. But, the clay's water content must be balanced to provide a good surface throughout the year. For

this reason, our grounds keeper will be visiting the courts on a daily basis. Depending on the day's weather conditions, the courts may be watered, swept and brushed at different times. Please follow the groundskeeper's instructions and vacate the courts during court maintenance.

Club Tournament Results - 2010

Our club tournaments were held in September 2010. Here are the results.

Doubles Champions:
Dean Wilkinson & James Rollinson

Singles Champion:
Ly Lam

Doubles Finalists:
Pat Moran & Shankar Mani

Singles Finalists:
James Rollinson (with Ly Lam)
